Your Love Never Fails

Nothing can separate
Even if I ran away
Your love never fails

I know I still make mistakes but
You have new mercies for me ev'ryday
Your love never fails

You stay the same through the ages
Your love never changes

There may be pain in the night
But joy comes in the morning

And when the oceans rage
I don't have to be afraid

Because I know that You love me
Your love never fails

The wind is strong and the water's
deep, but I'm not alone here in these
open seas

Your love never fails

The chasm is far too wide
I never thought I'd reach the other
side

Your love never fails

You make all things
Work together for my good

You make all things
Work together for my good

No Longer Slaves

You unravel me with a melody
You surround me with a song

Of deliverance from my enemies
Till all my fears are gone

I'm no longer a slave to fear
I am a child of God

I'm no longer a slave to fear
I am a child of God

I'm no longer a slave to fear
I am a child of God

From my Mother's womb
You have chosen me

Love has called my name

I've been born again into Your family

Your blood flows through my veins

I am surrounded
by the arms of the Father

I am surrounded by songs of
deliverance

We've been liberated
from our bondage

We're the sons and daughters

Let us sing our freedom

You split the sea so I could walk right
through it
My fears were drowned in perfect love

You rescued me so I could stand and
sing

I am a child of God

I Speak Jesus

I just want to speak the Name of Jesus
Over ev'ry heart and ev'ry mind

'Cause I know there is peace within
Your presence
I speak Jesus

I just want to speak the Name of Jesus
'Til ev'ry dark addiction starts to
break

Declaring there is hope and there is
freedom
I speak Jesus

('Cause) Your Name is power
Your Name is healing

Your Name is life
Break ev'ry stronghold

Shine through the shadows

Burn like a fire

I just want to speak the Name of Jesus
Over fear and all anxiety

To ev'ry soul held captive by
depression
I speak Jesus

Shout Jesus from the mountains
Jesus in the streets

Jesus in the darkness over ev'ry
enemy
Jesus for my fam'ly

I speak the holy Name Jesus
